Prices in US dollars

Free

Try Verasio with no card.

\$0 a month, no card

- The CRM and the onboarding interview
- Email
- 3 seats
- 250 AI credits a month on Verasio's key
- Not included: texting, voice

Line

A small team that wants texting and signing on its own number.

\$19 a month, plus \$49 once to activate

- 1 number and a low-volume 10DLC campaign
- 500 text segments a month (an MMS counts as 3)
- 3 seats, up to 10
- 250 AI credits a month
- Seats past 3: \$12 a month each

Verasio CRM

Verasio replaces your CRM.

\$59 per seat a month at 5 seats

- 5-seat minimum, priced in bands
- 500 outbound text segments and 800 AI credits per seat a month, pooled

Verasio Hub

Verasio sits over the stack you already run.

\$39 per seat a month at 5 seats

- 5-seat minimum, priced in bands
- 500 outbound text segments and 1,000 AI credits per seat a month, pooled
- Up to 10 connected systems included, then \$49 a month each

PRICE PER SEAT BY TEAM SIZE

Per seat a month	5 seats	50 seats	100 seats
Verasio CRM	\$59 average \$59, \$295 a month	\$49 average \$58.80, \$2,940 a month	\$39 average \$53.80, \$5,380 a month
Verasio Hub	\$39 average \$39, \$195 a month	\$33 average \$38.88, \$1,944 a month	\$27 average \$35.88, \$3,588 a month

Each seat is charged at its own band's price. Free and Line are capped at 10 seats.

Setup: \$150 per scoped hour, waived with annual prepay. Everything Verasio does itself is free.

PAST WHAT YOUR PLAN INCLUDES

- Texting beyond your plan's allowance is billed per your agreement. An MMS counts as 3 segments, and inbound is free.
- AI credits: \$10 per 1,000. One AI credit is \$0.004 of list-price model cost (a cent divided by the 2.5 AI cost markup), with cached tokens counted at their cached price.
- Extra numbers: \$2 a month each. A standard 10DLC campaign: \$25 a month.

Send It By Text rate per message is \$0.004
Current prices are always on the pricing page.
